# Notes about Air Schedules and Extensions

**Tour Only:** Always check with your travel agent before purchasing tickets from another source. Transfers are not included for passengers who book "Tour Only" through Image Tours. "Tour Only" passengers should expect to make their own way between the airports and the hotels at their own expense, but are welcome to join the complimentary group transfer if the passenger's actual flight time coincides with the group transfer time. Book early arrivals and afternoon return departures for the best chance to join the group transfers. Please read "Are Airport Transfers Included?" on page 64 of the 2023 & 2024 brochure. Image Tours does not recommend issuing air tickets more than 75 days prior to departure date. Image Tours shall not be held liable for any penalties incurred from the cancellation or change of an air ticket purchased through another source, regardless of the reason.

**Tour & Air Inclusive:** Air schedules will be provided after the Tour & Air Inclusive reservation is paid in full and tickets are issued (usually between 60 to 70 days prior to departure). Air schedules are subject to change at any time, and passengers who cancel due to changes in airline or schedule will be subject to the Image Tours "Cancellations" policy. Tour & Air Inclusive prices are based on using the most economical IATAN member airline(s) and schedules, in Economy Class. Image Tours may need to issue one ticket for the international flights and a separate ticket (possibly on a different carrier) for the domestic flights. If air service from your requested departure city is discontinued or convenient schedules are limited at the time of ticketing, the closest alternative(s) will be offered. Airline seat assignment and baggage fees are not included and, if charged by the airlines, must be paid by the passenger directly to the airline, as applicable. Frequent Flyer miles, pre-assigned seating, and luggage transfer service between flights may not be available. Any additional fees that might be charged at the airports are not included and will be the responsibility of the passenger. On the rare occasion that an air schedule should require an overnight hotel stay in the USA, a transfer between airports, or an independent transfer in Europe, the cost is not included and must be paid by the passengers directly to the service provider.

**Hazardous Materials Notice:** Federal law forbids the carriage of hazardous materials aboard an aircraft in your luggage or on your person. A violation can result in five years' imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives, and radioactive materials. Examples: paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radio-pharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in your luggage and certain smoking materials carried on your person. For further information review TSA's prohibited items webpage at [www.tsa.gov](http://www.tsa.gov).

**Extensions:** Extensions must be booked when making a reservation for your tour. If you have purchased a Tour & Air Inclusive reservation, a \$50 per person air deviation fee will apply in each direction of deviation. Prices listed at the bottom of the pricing chart for each tour are per person, per night, in U.S. Dollars and include hotel taxes. Extensions are independent and unescorted and all transfers are at travelers own expense. Extensions are subject to availability. Alternative accommodations may be made if space is not available at the tour hotel. If you requested an extension prior to tour reservation deposit, and Image Tours is unable to secure the services without additional cost, you will have the option, within three days of notification, to authorize a price increase, change the date, cancel the extension, or cancel the entire tour with full refund. Check-in and check-out times vary for each hotel and are subject to change; your room may not be available until the official hotel check-in time.
